

## NIMM WEG

1. Rechne und setze die fehlenden Zahlen ein.

$$9 - 4 = \boxed{5}$$

$$6 - 3 = \square$$

$$7 - 5 = \square$$

$$5 - \square = \square$$

$$7 - \square = \square$$

$$9 - \square = \square$$

$$8 - \square = \square$$

$$3 - \square = \square$$

$$4 - \square = \square$$

2. Ergänze jetzt die fehlenden Rechnungen.
