

Rechendreieck

Setze die Zahlen von 1 bis 9 so in die Felder ein, dass sich an jeder Ecke des Dreiecks die angegebene Summe ergibt.

The image contains three magic triangles, each with a target sum at its vertices. The numbers in the triangles are as follows:

- Top Triangle:** Target sums are 30 at all three vertices. The numbers in the fields are 7, 9, 9, 6, 5, 8, 5, 8, 9.
- Middle Triangle:** Target sums are 15 at all three vertices. The numbers in the fields are 1, 3, 4, 2, 6, 3, 6, 3, 1, 9, 1, 1.
- Bottom Triangle:** Target sums are 40 at all three vertices. The numbers in the fields are 2, 8, 9, 9, 7, 4, 9, 8, 5, 9, 3, 7, 6, 7, 8.
